SUMMARY

Senior Archiving Clerk and team leader with practical banking-sector experience in document management, digital archiving, compliance support and process improvement. Proven ability to lead small teams, maintain high data integrity, and deliver timely retrieval and verification services to internal stakeholders. Skilled at implementing quality checks, organizing large volumes of records, and supporting audit and regulatory needs.

KEY SKILLS

Document Management · Digital Archiving · Records Retrieval · Quality Control · Compliance · Team Leadership · SOPs · Document Verification · Data Entry & Validation · Audit Support · Process Improvement · Time Management · Communication

PROFESSIONAL EXPERIENCE

Abu Dhabi Islamic Bank (ADIB), 6th of October, Egypt

Senior Archiving Clerk & Team Leader — Jan 2025 – Present

- Lead a team responsible for the intake, verification, indexing and digital archiving of critical banking documents; ensure adherence to internal policies and regulatory requirements.
- Supervise daily archiving workflows and perform quality checks on uploaded files to maintain accuracy and completeness.
- Coordinate document retrieval requests from multiple departments, prioritizing urgent needs to support business continuity.
- Coach and monitor team performance; provide training and guidance on archiving procedures and compliance expectations.
- Identify and implement process improvements to increase efficiency and reduce retrieval times.

Archiving Clerk — Dec 2022 – Dec 2024

- Performed systematic checking, sorting (alphabetical/priority), dating and uploading of paper-based records into the digital archive.
- Maintained organized filing structures and metadata to ensure records were quickly retrievable by stakeholders.
- Conducted routine audits of archived files to detect and correct discrepancies and to support internal controls.
- Liaised with other departments to fulfill document requests and resolve missing or incomplete records.

Om al Misr Foundation, 6th of October, Egypt

Cost Accountant — May 2022 – Dec 2022

- Recorded and monitored fixed and variable costs (salaries, rent, raw materials, operations).
- Prepared cost forecasts and analyzed profit margins to inform financial planning.
- Produced monthly, quarterly and annual cost reports to support management decisions.

EDUCATION

Bachelor's degree in Banking Management and Money Markets — Thebes Academy, 2018

TECHNICAL & LANGUAGE SKILLS

- Systems: MS Office (Excel, Word), digital document management platforms (document repositories / scanners).
- Languages: Arabic (native), English — Professional proficiency.

SELECTED ACHIEVEMENTS & RESPONSIBILITIES (HIGHLIGHT)

- Led archiving operations supporting multiple departments at a regulated bank environment.
- Implemented quality-control checks for uploaded files to ensure compliance with internal policy and audit readiness.
- Supported cross-functional requests for document retrieval and coordinated with teams to resolve discrepancies.
